WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1892.

THE CALL.

Came Mrs. Brown to call
On little Mrs. Jones.
They greeted in the hall
In most delightful tones.
"So rushed," said Mrs. Brown,
"I really cannot stay—
I've been all over town
It seems to me, today."

And then they talked of books,
Of music, and of clubs,
Of chambermaids and cooks,
Of leaky laundry tubs,
Of candles and of soup,
Of churches and of gowns,
Of fevers and of croup,
Of how to ward off frowns.

Of wrinkles, freckles, too;
Of divorces and brides,
Of scandals old and new,
Of fashion's latest strides,
Of neighbors and of friends,
Of eucumies and kin,
Of pleasing coffee blends,
Of where "she" got that pin.

Of certain people's debts,
Of certain people's lights,
Of the contending sets,
Of certain women's spites,
Of papering the hall,
Of what each one had read,
Of which one owed the call,
Of what somebody said.

Of how "she" held her looks,
Of golf, and cards, and tea,
Then back again to cooks—
And then:—"O, goodness me!"
Cried Mrs. Brown at last,
"I must be rushing on,
The afternoon is past—
At least, it's almost gone."

"That's one thing I detest
About a formal call—
One has to look her best
And scarcely talk at all.
Stop in, my dear, some day
When you're out for a walk—
There's so much we could say
When we're time for a talk."

The state convention of the Ancient Order
of Hibernians was held yesterday at Covington.

There is a bustle and a bustle among the
prospective candidates. The Democratic Pri-
mary is going to be a hot tomato, and don't you
forget it.

Mrs. Annie Means and daughter, Edith, leave
this afternoon for Cincinnati, where they will
reside in future with Mrs. Means's sister, Mrs. W.
A. Slusser.

Mrs. Eneas Myall, who has conducted a board-
ing-house in Sutton street the past two years,
has retired from the business, no longer having
boarders at her home.

Will Davis and Hiram Hendrixson caught a
blue cat fish that weighed 40 pounds even. It
was served in palatable dishes to the guests of
the New Central Hotel yesterday at dinner.

ception Cards. 100 Engraved Wedding In-
vitations only \$9. MURPHY, the Jeweler.

Yesterday the Limestone Cigar Manufactory,
E. A. Robinson & Co., received 245 cases of
tobacco, said to be the largest shipment ever
received in the city at one time for manufactur-
ing purposes.

One of Uncle Sam's Secret Service sleuths
was in the city yesterday, problematically in-
vestigating the spurious silver transactions that
one said to have taken place here. Whatever he
found out he kept it to himself—mum was the
word with this gentleman.

Mr. Homer Frederick of the East End at-
tended the reunion of Cockrell's Battery at
Ripley, O., last night. This was a famous
Battery and did noble service during the Civil
War. Mr. Frederick is proud of the distinction
of having been one of its members.

The steamboat landing had an old-time busi-
ness appearance last evening about 5 o'clock.
The Lizzie Bay and five gasoline steamers were
lying at the wharf at one time, besides sand
and watermelon flat boats. With the ice piers,
ferry-boat, teamsters on the grade and loafers
on the bank, the scene was one of animation
and business activity.

A bright little lad, aged about ten, attracted
attention in Second street yesterday from the
fact that he was missing a leg. On being in-
terrogated he said his name was John B. Craft
and that he resided in Aberdeen, O. He lost
his leg from having his foot poisoned while
running among weeds in his bare feet. The
limb was amputated about three years ago by
Dr. Taubee of this city.

The Chinese Honeymoon Troupe passed
through here this morning en route to Paris
where they show tonight. There were about
thirty people, mostly females.

Mrs. Pattle Holloway Bending, who died at
Lexington Friday, was well known in this county.
She lived at the Bluebells some years since and
was the daughter of Colonel Holloway, a promi-
nent and wealthy merchant of Richmond.

Mr. William Reese, while driving on the Lex-
ington pike Sunday, met an automobile going
at the rate of thirty miles an hour, at which
his horse frightened, overturning the vehicle,
throwing Mr. Reese out and, but for the timely
arrival of the auto's occupants, might have had
disastrous results, as his feet were entangled
in the lines and buggy top so that he couldn't
free himself. As it was, he wasn't seriously
hurt.

Mitch Liggett of the West End was arrested
by Officers Senteney and Rosser Saturday night
and placed in Jail, charged with stealing coal
from cars standing on the C. and O. track in
the rear of the Cotton Factory. He had an
examining trial before Judge Whitaker yester-
day and was held over in the sum of \$100 for
appearances at the November term of the Circuit
Court. The C. and O. people are going to break
up this business, if possible.

A telegram conveying the sad information of
the death of his sister, Mrs. Mary A. Wright,
aged about 70 years, at her home in Harper,
Kansas, Sunday, was received yesterday by Mr.
John Boyer of Limestone street. Besides a
husband and several children she leaves two
sisters—Miss Charlotte Boyer and Mrs. D. R.
Purdum of Ripley. Mr. Boyer left for Ripley
yesterday evening to consult with his sisters in
regard to the funeral arrangements.

Evidenced by the generous applause of a
crowded house, The Howard Stock Company
made an excellent impression with the patrons
of the Washington last night. The play pre-
sented was the five-act pastoral drama, "Home,
Sweet Home," and every part was played in a
thoroughly capable manner, and many conceded
it to be one of the best repertoire companies
that has ever played this city. The specialties
were all high class, the music specialty and
moving pictures being particularly enjoyable.

Tonight "Ostler Joe," a dramatization of the
great poem which made Mrs. James Brown
Potter famous, will be presented. "The Em-
bassy Ball" will be presented at the Wednes-
day matinee at 3 p. m. Secure seats early at
Ray's.

The announcement of Mr. James Mackey for
High Sheriff will be found in this impression of
THE LEDGER. It is not necessary to extol the
good qualities of this excellent gentleman, who
is so well and favorably known to the voters of
this county. That his Democracy is of the Jef-
fersonian and right kind is established by his
past record. He has always responded to all
the calls made upon him by his party in every
exigency.

Mr. Mackey has been the efficient and compe-
tent Deputy of Sheriff Roberson, and in all cases
he has been lenient and accommodating.

His Deputies will be W. H. Mackey of the
West End and J. H. Clark of Mayslick, two
gentlemen whose honesty, probity and good de-
meanor is a byword with their neighbors.

If we are to have a Democrat for the office
Mr. Mackey will fill the bill to an eminent de-
gree.

There is just as much character in moving
pictures as in good personality. You cannot
hide it. Its evidence of sterling worth sticks
out in every program offered by Lyman H. Howe,
who will present his entirely new collection of
scenes at the Washington on Friday, September
23d.

At the cattle show at the St. Louis Fair Sat-
urday Colonel O. G. Callahan of Helena came

and under eighteen months, fifth prize, \$20,
Early Hill Ontop, and Angus heifer, six and
under twelve months, fifth prize, \$20, Early
Hill Queen 11.

The Sovereign Grand Lodge of the Inde-
pendent Order of Oddfellows and its auxiliary

and Mr. Harry C. Curran of this city are in

In a sermon Sunday night at the First Chris-
tian Church at Louisville, the Rev. Dr. E. L.
Powell urged his congregation to take an active
part in politics, making it a Christian's duty to
go to the polls. He touched on the political
conditions in Louisville, which, if longer neg-
lected, he said, would mean the destruction of
the moral nature of the city.

JUDGE FOR YOURSELF.

Which Is Better—Try An Experiment
or Profit By a Maysville Citiz-
en's Experience.

Something new is an experiment.
Must be proved to be as represented.
The statement of a manufacturer is not con-
vincing proof of merit.
But the indorsement of friends is.
Now supposing you had a bad back—
A lame, weak or aching one,
Would you experiment on it?
You will read of many so-called cures,
Indorsed by strangers from far away places.
It's different when the indorsement comes
from home.

Easy to prove local testimony.
Home indorsement is the proof that backs
every box of Doan's Kidney Pills.
Read this case:
Mr. Fred W. Bauer, job printer of No. 4 East
Second street, says:
"For a year or more I had considerable pain
in my back. The secretions from the kidneys
were dark and there was some inflammation of
the bladder, evidenced by a sensation of scald-
ing. Doan's Kidney Pills came to my knowledge
and I procured them at J. Jas. Wood & Son's
Drugstore, corner of West Second and Market
streets. The treatment soon restored the kid-
ney secretions to a natural color, ended the in-
flammation and banished the pain from my back.
If a cold or any other cause should bring on a
recurrence I now know what to use."

For sale by all dealers. Price 50 cents a box.

A FORTUNATE ERROR.

Through a mistake made by his New York
booking manager, Mr. Joseph Shipman, who has
on the road a sumptuous production of Shake-
peare's "Twelfth Night," finds himself with
three open nights, one of which he will put in
here, if sufficient advance patronage can be
obtained. To those who may not be familiar
with the sterling merits of the company, we
wish to state that it is headed by Miss Charlotte
Burnett and Mr. George Seybelt, lately in support
of Julia Marlowe; Mr. Henry Halleck, as Duke
Orsino, who has a long experience, notably with
Frederick Ward and Louis James, and a number
of others, making an aggregation of unusual
excellence. A complete scenic and costume
production is carried.

My sale of all kinds of

IF JIM KENOE shouldn't be re-elected, it's hoped he will not take the Ice Piers and the Government Building away from us.

SOME people think it isn't "policy" for an Editor to print the truth; and probably that is the reason why so many of them do not.

THE splendid race made for Circuit Judge by Judge J. B. BENNETT against Judge JAMES P. HARBESON—the latter unquestionably one of the most popular men in Northeastern Kentucky—shows that Judge BENNETT would have made a strong candidate for Congress.

WITH the single exception of Lewis,—Mr. PUGH's home,—every Republican county in the Ninth District voted solidly for Judge BENNETT for the Congressional nomination, viz.—Boyd, Carter, Greenup and Rowan. The Postmasters and Civil Service men in the strong Democratic counties nominated Mr. PUGH—and then by only the narrow margin of 8.

THE HON. JOHN G. CARLISLE, now of New York, has very emphatically declined an invitation to make some speeches for the Hon. JOSEPH L. RHINOCK, Democratic nominee for Congress in the Sixth Kentucky District. Perhaps the Honorable Jo. was one of the fellows who shied back-number eggs at the Honorable JOHN in Covington a few years ago, when the latter announced that he was too loyal a Democrat to be led into the Populist camp by Mr. BRYAN.

LATE reports say that there are only five weeks' rations at Port Arthur. But, then, there's no telling how long those Russians may continue to "chew the rag."

WHILE the Republican party in Kentucky is struggling to rid itself of Goebelistic methods, it might very properly take a whack at the Federal office-holding oligarchy. Some chaps who fill little 2x24 positions assume to be Masters of the People, when they are only their Servants—and often damned poor Servants at that.

IN the case of Sheriff McNERNEY against Circuit Clerk FRANK DROEGE at Covington, Special Judge LASSING refused to set aside the restraining order against DROEGE, and holds that the law passed by the last Legislature making the Circuit Clerks instead of the Sheriffs in second-class cities Election Commissioners is special class legislation, and is therefore unconstitutional and void. If this thing keeps on, first thing one knows the whole shootin' match,—the last Legislature and Governor included,—will be declared un-con-stiti-tion-al.

Political Pickings

THE REGISTRATION LAW.

Louisville Herald.

The registration certificate plan for stealing and controlling the vote of cities of the first four classes of this state was a deliberate party measure, with no pretense of honesty about it. No penalty was provided for the purchase or sale of the registration certificates. It was a law enacted to impede and steal elections.

Judge Mackoy of Covington declared it unconstitutional on the ground that a certificate of registration was not itself registration, and that its issuance imposed a qualification for suffrage not laid down in the Constitution. Judge Mackoy is a Democrat, but he stands very high as an able lawyer and citizen. He was the first President of the Kentucky Bar Association, and has the confidence of the Bar of the whole state. The decision, therefore, has ability and character behind it.

By agreement the case goes to the Court of Appeals for advancement and it will probably be argued this week. It is important that the constitutionality of the law be decided as quickly as possible, so that the election officers of the whole state may be instructed.

Making Stock Pay

Most people who have stock know that keeping it in good condition is money in their pockets. Condition powders are widely used—often with poor results. The ordinary kinds are an odd mixture of good and bad—gotten up in the "hit-or-miss" fashion. Remedies for stock should be as scientific as those for the human family, and on this basis we compound our

Chenoweth's Bluegrass Stock Food.

You can expect better results and will not be disappointed.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut.

Why is it allowed?

Mr. Editor: The writer has recently and frequently been asked the question, "Why are boys whose ages range from 14 to 18 years allowed to run the streets of our city until 11 and 12 o'clock at night?" That this is the case with a large number of our boys, I am sorry to say, is true, but might not one with the same propriety ask, "Why should any one be allowed to roam the streets at this late hour without being able to give a good reason for being out at an hour so late?" We have also heard it intimated pretty strongly that these same boys have certain places of resort where they spend their evenings as well as their money, and said places of resort are of very questionable character. If we wish to make good citizens of our boys we cannot do it by letting them run the streets half the night, and as boys are very resourceful when questioned by their parents they usually have a plausible excuse for their late hours. We think here is a duty for the Police, and if it is necessary let the Police force be doubled every Saturday night until this evil is wiped out.

The Handsomest Calendars Ever Shown in This City

Did you ever think of that? The business man who spends his money for printing in Louisville, or Cincinnati, or Chicago, or New York, puts that money into the hands of people who never did, nor ever will, spend a dollar in his store.

Did you ever think of that? Now, in order that a good deal of this money may be kept at home, and spent by home workmen and home employers with home merchants.

Mrs. Weisslitz, president of the German Womans' Club of Buffalo, N. Y., after doctoring for two years, was finally cured of her kidney trouble by the use of Lydia E. Pinkham's Vegetable Compound.

Of all the diseases known with which the female organism is afflicted, kidney disease is the most fatal. In fact, unless prompt and correct treatment is applied, the weary patient seldom survives. Being fully aware of this, Mrs. Pinkham, early in her career, gave careful study to the subject, and in producing her great remedy for woman's ills—Lydia E. Pinkham's Vegetable Compound—made sure that it contained the correct combination of herbs which was certain to control that dreaded disease, woman's kidney troubles. The Vegetable Compound acts in harmony with the laws that govern the entire female system, and while there are many so called remedies for kidney troubles, Lydia E. Pinkham's Vegetable Compound is the only one especially prepared for women.

Read What Mrs. Weisslitz Says.

"DEAR MRS. PINKHAM:—For two years my life was simply a burden, I suffered so with female troubles, and pains across my back and loins. The doctor told me that I had kidney troubles and prescribed for me. For three months I took his medicines, but grew steadily worse. My husband then advised me to try Lydia E. Pinkham's Vegetable Compound, and brought home a bottle. It is the greatest blessing ever brought to our home. Within three months I was a changed woman. My pain had disappeared, my complexion became clear, my eyes bright, and my entire system in good shape."—MRS. PAULA WEISLITZ, 176 Seneca St., Buffalo, N. Y.

Proof that Kidney Trouble can be Cured by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I feel very thankful to you for the good your medicine has done me. I had doctor for years and was steadily growing worse. I had trouble with my kidneys, and two doctors told me I had Bright's disease; also had falling of the womb, and could not walk a block at a time. My back and head ached all the time, and I was so nervous I could not sleep; had hysteria and fainting spells, was tired all the time, had such a pain in my left side that I could hardly stand at times without putting my foot on something.

"I doctored with several good doctors, but they did not help me any. I took, in all, twelve bottles of Lydia E. Pinkham's Vegetable Compound, five boxes of Liver Pills, and used three packages of Sanative Wash, and feel like a new woman, can eat and sleep well, do all my own work, and can walk two miles without feeling over tired. The doctors tell me that my kidneys are all right now. I am so happy to be well, and I feel that I owe it all to your medicine."—MRS. OPAL STRONG, Dakon, Mass.

ECZEMA

The World's Greatest
Skin Humour.

Affects Every Age and
Condition.

The Only Sure Cure is
Cuticura.

If there were not another external
skin disease known, eczema would be a
sufficient infliction on mankind. It per-
vades all classes, and descends impar-
tially through generations. While some
are constantly enveloped in it, others
have it confined to small patches in the
ears, on the scalp, on the breast, on the
palms of the hands, on the limbs, etc.,
but everywhere its distinctive feature is
a small watery blister, which discharges
an acrid fluid, causing heat, inflamma-
tion, and intense itching, scaling and
crusting.

The Cuticura treatment is at once
agreeable, speedy, economical and com-
prehensive. Bathe the affected parts
freely with hot water and Cuticura
Soap, to cleanse the surface of crusts
and scales, and soften the thickened
cuticle. Dry, without hard rubbing,
and apply Cuticura Ointment to allay
itching, irritation and inflammation,
and soothe and heal, and, lastly, take
Cuticura Resolvent, or Pills, to cool and
cleanse the blood. This treatment af-
fords instant relief, permits rest and
sleep in the severest forms of eczema
and other itching, burning and scaly
humours, and points to a speedy, per-
manent and economical cure of tor-
turing, disfiguring humours, eczemas,
rashes and inflammations, from infancy
to age, when all other remedies and the
best physicians fail.

Sold throughout the world. Cuticura Resolvent, 40c.
(a form of Chocolate Coated Pills, 25c. per box of 50).
